

## EXPORT MANAGER

We are a Chicago-based manufacturing unit of ITT Industries. We currently seek an individual to manage our expanding export marketing efforts. The ideal candidate will possess experience in the servicing efforts necessary to facilitate growth in this area. Three years minimum exposure to international sales or marketing is a must.

This highly visible position is part of a business committed to growth. The successful local candidate will be offered a competitive salary, with a complete benefits package. This opportunity provides an excellent entry-level management assignment for the qualified applicant. Fluency in Japanese, Korean or Chinese is a definite plus. Eligible candidates should direct their resumes, with salary history, via fax, mail or email. Only correspondence including salary history will be considered.
